

What is the Community Partnership Program???

Westlake Christian School is continuing the Community Partnership Program during the 2016-2017 school year. By adopting a class or special area of our school, and making a tax deductible donation of \$150, a local business or individual will receive valuable and favorable exposure with students and their families. 100% of the money goes directly to that class, or area, to purchase items including thematic learning items, visuals, computers and software, library books, and more.

Who can become a Community Partner?

Any business or individual can adopt a class or program at Westlake Christian School. Take a membership application to someone with whom you do business and ask them to adopt your child's class. Why not try one of the following: your accountant, lawyer, physician, pediatrician, dentist, salon, printer, restaurant, pool service, grocer, banker, car dealer, cleaners, retail store - you name it! Plenty more membership forms are available from the school office!

What does the Community Partner receive?

- Certificate of Membership
- A thank you letter from the Head of School
- A thank you letter from the "adopted" class
- Recognition published on the school's website

Our goal is to see every class and program adopted at least twice! You can help us reach this goal. Make sure that your child's class has the wonderful advantages of this community support. The children and their teachers will certainly appreciate it!

Please direct any questions to the school office – Phone (727) 781-3808 or Email info@westlakechristianschool.org
